**Dear Parents/ Guardians,**

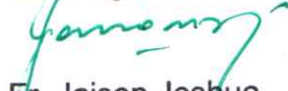

As we approach the end of another academic year, I want to take this opportunity to express my gratitude for your continued support and cooperation. It has been a year of growth, learning, and achievements for our students, in particular, we experienced God's blessings and guidance throughout the year. All our resources and energy are now focused towards obtaining the affiliation to the CISCE Board, Delhi. *We keep our fingers crossed.*

With final exams around the corner, I understand that this can be a stressful time for both students and parents. However, I want to remind you that exams are just one part of the learning journey. Encourage your children to do their best, but also reassure them that their worth is not determined by their grades alone. A positive mindset, consistent effort, and a balanced routine will help them perform to the best of their abilities.

Please remind your child to stay calm, get enough rest, and maintain a healthy balance between study and relaxation. As a school, we are committed to supporting them in every possible way, and our teachers are available to assist with any last-minute clarifications or guidance they may need.

I wish all our students the very best in their upcoming exams and look forward to celebrating their accomplishments at the end of the academic year. Thank you once again for your unwavering support.

Best regards,

  
Fr. Jaison Joshua  
Principal
